DESCRIPTION	A tactile update to the modern seating icon that is the Beetle, Beetle Soft brings an inviting fluidity and an expressive comfort to one of GUBI's most beloved designs. Preserving the chair's characteristic silhouette and structural integrity, it introduces looser, wadding-style upholstery, a piping-free finish, and a more relaxed visual language that places tactility and comfort at the forefront of its aesthetic. A new generation of upholstery options enhances the chair's plush texture and visible softness, reinforcing its connection to the relaxed design ethos of the 1970s. The result is a chair perfectly suited to contemporary, comfort-driven interiors.
