

ASSEMBLY INSTRUCTION

# MIRROR SCULPTURES

*Designed by*  
VERNER PANTON

VERPAN

## BEFORE YOU GET STARTED

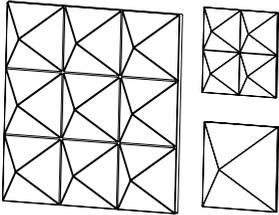

Read the entire manual  
before mounting

**MAINTENANCE:** Do not use any abrasive materials. To clean the Mirror Sculpture use anti-static window polish with a soft cloth. We recommend always to wear gloves while handling the Mirror Sculpture. Polish the Mirror Sculpture after mounting it on the wall.

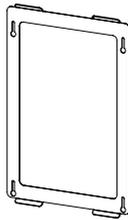

**Notice:** For indoor use only.

### INCLUDED:

Mirror Sculpture x 1

*Same assembly instruction  
applies all Mirror Sculptures*

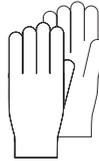

Wall Bracket x 1

HEX Key x 1

Set Screw x 2

Gloves x 1 pair

### NOT INCLUDED:

Screw x 4

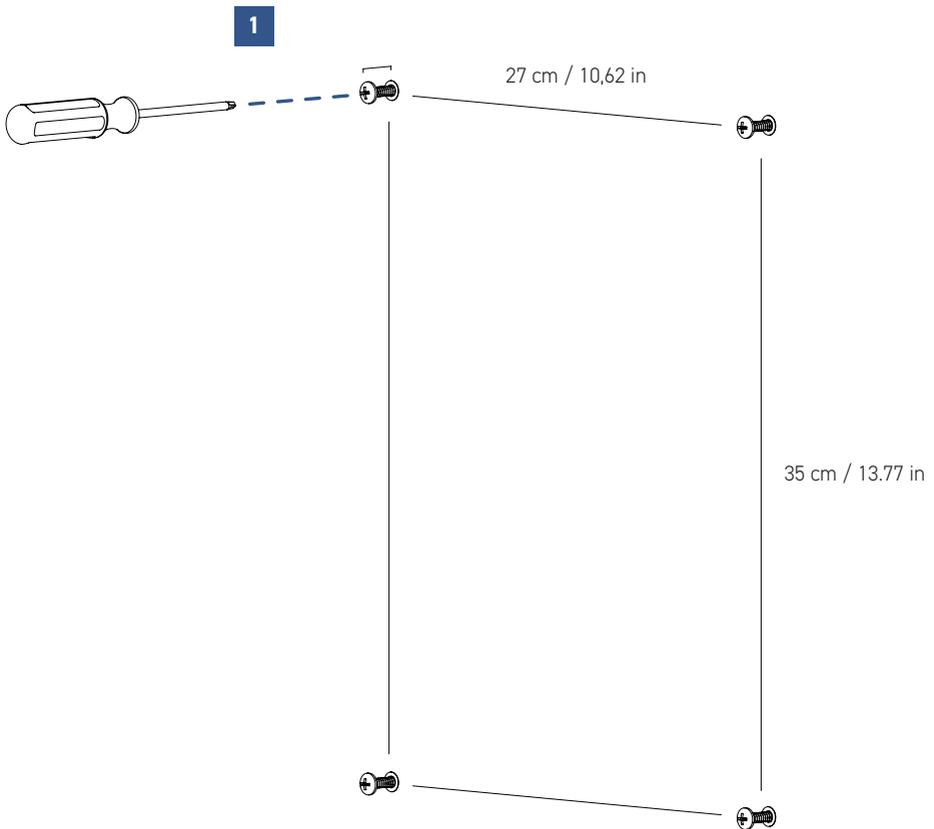

Use screws appropriate for  
the type of wall

Rawplug x 4

Rawplugs appropriate for  
the type of wall

## ASSEMBLY INSTRUCTION

1

Always wear gloves while handling the Mirror Sculpture. Please make sure to use screws and rawplugs appropriate for the type of wall you wish to hang the Mirror Sculpture. Tighten the screws loosely.

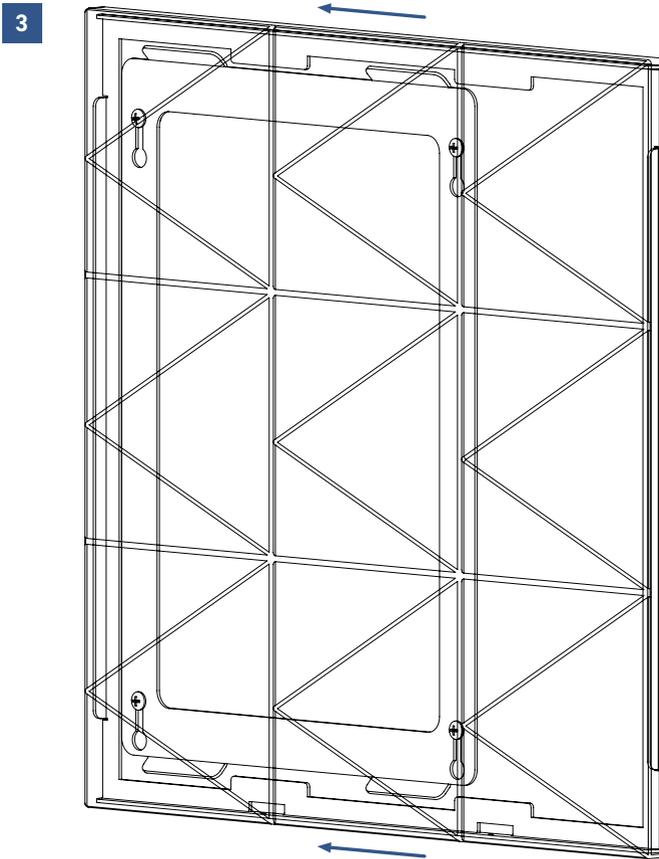

## MIRROR SCULPTURES

2

Place the bracket on to the screws and give it a slight push from the top, to make it fall in place. Tighten the screws afterwards.

## ASSEMBLY INSTRUCTION

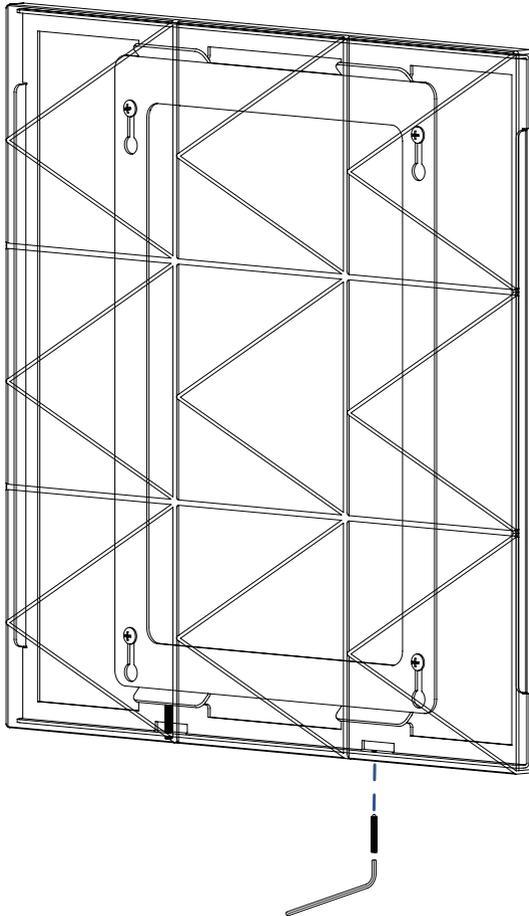

**3**

Slide the Mirror Sculpture on the bracket.

## MIRROR SCULPTURES

4

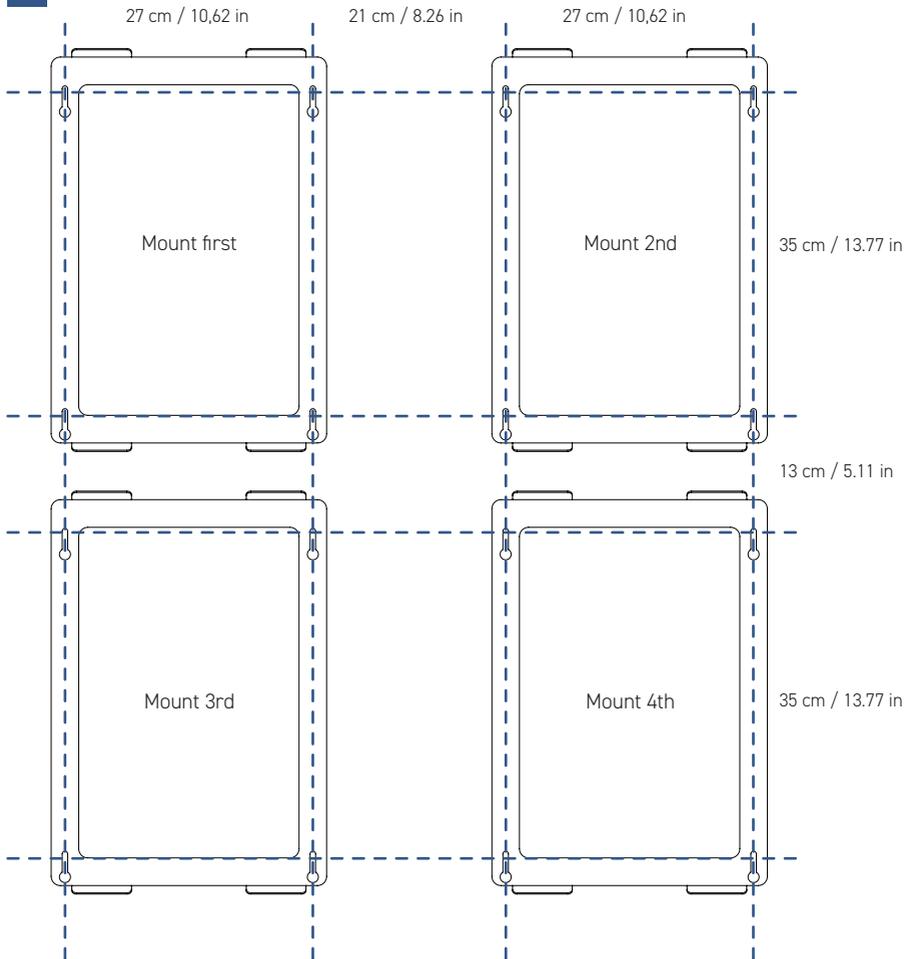

4

To fasten the Mirror Sculpture use the two set screws and apply them in the bottom.

## ASSEMBLY INSTRUCTION

5

5

Hang up multiple Mirror Sculptures side by side. You can adjust the bracket vertically and the Mirror Sculpture horizontally.
