

SYSTEM 1 2 3 Mirror

Design by VERNER PANTON

Please read carefully before assembly

1

IMPORTANT!

Unwrap the mirror and base. Gently place the mirror socket into the base.

2

Important!

After mounting the base, place the mirror on a soft surface eg. at a table covered with a throw or a towel to avoid damage to the mirror.

We recommend two people to place the mirror in horizontal position.

Tighten the foot plate to your new mirror.

Maintenance of System 1 2 3 Mirror:

Base: Wipe surfaces with a damp cloth. Grease stains can be removed with soapy water. Do not use abrasive cloth or substances as it will scratch the surface.

Mirror: Mild detergent or window cleaner.

Notice: For indoor use only!
